

A photograph of the Casino di Venezia building at night. The building is a grand, multi-story structure with many arched windows, some of which are illuminated from within. A red sign with the casino's name and logo is visible on the upper part of the facade. In the foreground, there is a small entrance area with a dark awning and two striped poles. The water of a canal is visible at the bottom.

Ca' Vendramin Calergi

Ca' Vendramin Calergi is one of the most important and sumptuous Renaissance residences overlooking the Grand Canal. Built in the 15th century, its charm is enhanced by a beautiful Italian-style garden, one of the few in Venice with a view of and direct access to the city's spectacular main waterway.

A masterpiece by architect Mauro Codussi, the palazzo was home to some of the most important aristocratic families of the Serenissima Republic.

With its various sized rooms, fitted with the latest technologies, this is the perfect location for anyone who desires to organise exclusive business meetings, conventions, conferences, cocktail parties, gala dinners, ceremonies, photo or video shoots, cinematographic shoots, fashion shows, concerts, or special events of any kind.

Giardino Reale

The Italian-style garden of Ca' Vendramin Calergi is one of the few Venetian gardens overlooking the Grand Canal, and fitted with private boat dock.

A bright space of generous dimensions, it features an ancient *vera da pozzo*, or well, and, in addition to a leafy magnolia tree and many bushes and hedges, the garden is further graced with century-old pomegranate trees.

During the warmer season it is available for events, receptions, presentations, concerts; in winter the elegant *jardin d'hiver* becomes one of the most prestigious locations for the Venetian social gatherings.

Venetian Events

Ca' Vendramin Calergi is the perfect setting for city events, that should not be missed by those who love staying in Venice. You will have the possibility to see the magnificent Regata Storica as it winds its way down the Grand Canal, or dine by candlelight on one of our exclusive balconies or in the *Giardino Reale* to then go by private motorboat to watch the spectacular fireworks during the *Notte Famosissima* of the Redentore; or perhaps spend a fun night during the lively Carnevale.

We can organize customized services for each of the main events held in the City of Venice, meeting all our customers' needs.
